Over the past three years we have helped many families celebrate their child's birthdays including our own son, Jackson. The overwhelming response from parents is that it is so nice to be in an environment they feel relaxed & comfortable. They also comment on the healthy but delicious food that the children devour. As a Mum with a child with food allergies it has been a huge relief to have Jackson's food prepared safely for both his own birthday parties & ones he has attended at the cafe. We even order a kids party pack for him to take to other parties. This year we celebrated Jackson's 5<sup>th</sup> birthday at a venue away from the cafe so we chose somewhere we could self-cater (& guess who is doing the catering!). Whether you are looking for a party venue, out-catering or even a special party treats pack made with TLC – The Library Cafe can help. Debbie Leaver March 2010.
