*Deliciously nutritious, organically inspired, thoughtfully prepared cuisine for the discerning palate.
The Library, a novel experience nourishing body & soul.*

By day, the café offers two distinctive areas. The main dining room exudes fun & vibrancy to entertain energetic & inquisitive minds & bodies in an indoor & outdoor family safe environment. The second room, a luxuriously intimate reading lounge offers a quiet haven where guests can sit back, relax & read the latest newspapers, magazines or one of many of the coffee table books at hand.

By night, The Library offers a premium function venue in an architecturally designed impeccable restoration of one of Auckland's finest heritage buildings. The building built in 1912, is a true monument of its time & offers the perfect setting for social gatherings, weddings & corporate functions. The Library, adorned with impressive features of its era with an expansive garden setting, is a truly unique venue in a central Auckland location that will make for a wonderfully memorable event.

TLC Kitchen

Due to popular demand, we have now extended our services to include catering so that our deliciously nutritious organically inspired food can be enjoyed *at your place or ours*.

The Library Environmental Policy

The Library has a strong commitment & vision of eco-sustainability. From the outset, the building presented a unique opportunity to 'recycle' a magnificent piece of history & restore it to its former glory. The Library's purchasing criteria is based on environmental policies, fair trade & sustainability practices of its suppliers. With a predominantly organic menu incorporating seasonal & local produce, The Library provides a portal to communicate the story of businesses & individuals who have embraced organic living & are on a journey of eco-sustainability. The objective is not only to promote & support likeminded people & businesses but also to encourage others to follow.

Vegetable-based inks, recycled paper, environmentally friendly packaging & consumables, organic &/or bio-degradable products have been utilised where possible. Disposable items are used sparingly & bio-degradable products are used where appropriate including bin liners, plates & cutlery. Cleaning & washing products are non-toxic with alcohol free soaps & sanitisers available in the bathroom, kitchen & dining areas.

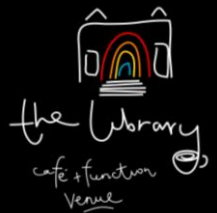

Hi Debbie, I just wanted to say a big thank you to you & your team for helping to make my 21st party such a great night the other week. I love your building, & you & your staff made everything so easy! It was a great night & I really enjoyed myself! So thanks heaps. Emily Oct 2009

Fundraising Opportunities

At The Library Café we like to support our community & always do our best to help organisations with their fundraising efforts. So we have come up with the Ultimate Fundraising Idea with the potential to raise thousands of dollars!!!!

It's simple - for every Library Café Gift Voucher sold we will give your organisation a minimum of 25% profit!

- ✓ **We will even give you some prizes to award to your best sellers!**
- ✓ **It's better than raffle tickets because everyone wins!**
- ✓ **It's better than chocolate because it can be shared with more people & enjoyed over a longer period!**
- ✓ **It makes a great gift for that person who is hard to buy for!**
- ✓ **It's fair - \$20 in products for \$20 so nobody feels ripped off**

In today's economy, it is true to say there is less money around and although, we all want to help sometimes it's not that easy. As a Mum, I know what it is like asking other people to buy raffle tickets and chocolate bars, and sometimes I feel terrible even asking. So much so, that I often end up buying the whole lot myself! I make the decision to do this as a donation as I know a lot of other parents end up doing as well. So, I started to think about whether there was a better way. It occurred to me, that our gift vouchers would be perfect. Selling them is easy because they offer \$20 value for \$20 and, the best thing is, they raise a lot more money than selling chocolate or lollies!

Email me today to find out more information – debbie@librarycafe.co.nz
